

Ear Syringing

A new service has now been introduced in some of the Health centres in South Sefton. Patients are now able to contact the appropriate Health Centre directly to arrange a suitable appointment.

The initial appointment will be for an assessment prior to the Ear Syringing and then will follow with an appointment for the Ear Syringing itself.

PLEASE NOTE THAT AN APPOINTMENT MUST BE MADE AT ONE OF THE FOLLOWING HEALTH CENTRES. THIS IS NOT A DROP IN SERVICE.

Maghull Health Centre Tel: 531 – 8118

Netherton Health Centre Tel: 521 – 4000 – Fax: 523 5455
